Dear Cochrane Lake Gas Co-op Member:

Re: POSSIBLE NATURAL GAS SERVICE DISRUPTION – TAP 3 – September 11, 2019

We will be upgrading a portion of our Tap 3 infrastructure, and you may experience a disruption in natural gas service. **We are scheduling the work for September 11, 2019, weather permitting.** Should there be a delay in the work, we will attempt to give as much notice as possible.

We will have service people available to assist with any appliance relighting if necessary (24 hour on-call service is available via our main line at 403-932-2707).

To minimize the impact on all the customers in the area, we ask that all members in this area attempt to limit their gas use on September 11, 2019 between 8 a.m. and 5 p.m.

Our Tap 3 area encompasses areas west of Cochrane including areas around Ghost Lake, Highway 40 (including Benchlands and Waiparous), Beaupre Road, and Jamieson Road.

Please contact us if you any questions at 403-932-2707.
