Unrestricted access ensures gas system safety, your safety, and our staff's safety.

ANNUAL GENERAL MEETING

Our Annual General Meeting is tentatively scheduled for **Tuesday, March 16, 2021**, pending Covid restrictions updates. We will endeavour to keep you updated regarding the meeting method, time and details.

ANNUAL METER CHANGES/RECERTIFICATIONS

Our staff will soon be working on routine meter change-outs. Any meter that has seal expiry date of 2021 will be changed out for recertification or removal from service. We will be working with you to schedule these appointments. In keeping with our Covid protocols, we are asking homeowners to relight their own appliances if possible. If this is not possible, we will work with you to come up with a solution. To eliminate the need for homeowner presence for appliance relights, we are installing meter by-pass valves for future meter changes.

LAUGHING GAS

A new hair salon opened up for business right across the street from the old established hair cutters' place. They put up a big bold sign which read: "WE GIVE SEVEN DOLLAR HAIR CUTS!"

Not to be outdone, the old Master Barber put up his own sign: "WE FIX SEVEN DOLLAR HAIR CUTS!"

A minister delivered a sermon in 10 minutes one Sunday morning, which was about half the usual length of his sermons. He explained, "I regret to inform you that my dog, who is very fond of eating paper, ate that portion of my sermon which I was unable to deliver this morning. "After the service, a visitor from another church shook hands with the preacher and said, "Reverend, if that dog of yours has any pups, I want to give one to my minister."

Mother: Now, Little Johnny, eat your spinach. It's good for growing children .Little Johnny: Who wants to grow children?-

I have one cup of coffee every morning to start the day off right...The other ones are to keep me out of jail, help me form sentences, and fuel my razor sharp wit!
