50 YEARS!

Cochrane Lake Gas Co-op Ltd. is proud to have served our customers for 50 years. 2022 is our 50th anniversary. Watch for upcoming details regarding how we will celebrate this milestone!

UTILITY SAFETY PARTNERS

The former Alberta One-Call, Alberta Common Ground Alliance, and the Joint Utility Safety Team have united under one name: Utility Safety Partners.

Each year, Albertans pay more than \$350 million to repair damages caused when homeowners and contractors dig without knowing what is below.

For gas line locates, please **ClickBeforeYouDig.com** or call **1-800-242-3447** (no change to contact information for requesting line locates).

CONTACT INFORMATION

Please help us keep you informed! If your contact phone number(s) or email address(es) have changed, please provide us with your updated information. Also, please contact us to discuss if you have a gate code or lock; we are happy to work with you regarding access to our infrastructure.

ANNUAL METER CHANGES/RECERTIFICATIONS

Our staff will soon be working on routine meter change-outs. Any meter that has a seal expiry date of 2022 will be changed out for recertification or removal from service. We will be working with you to schedule these appointments to allow us to relight any appliances as necessary. To eliminate the need for homeowner presence for appliance relights, we are installing meter by-pass valves for future meter changes.
