IMPORTANT

In order for us to complete our annual gas system maintenance and safety checks, including meter and related equipment inspections, our staff requires unrestricted access to the equipment at all times.

Unrestricted access ensures gas system safety, your safety, and our staff's safety.

PRIMARY / SECONDARY CONSTRUCTION

Our construction season has ramping up, and we are continually planning and scheduling construction work for primary (new) gas services and secondary services, as well as alterations to existing primary services.

If you are considering any of these construction projects, please contact our office as soon as possible. Requests for construction work prior to our busiest season ensure we can accommodate your schedule and timing.

Our deadline for construction requests is mid-September.

FEDERATION ACHIEVEMENT AWARDS

The Federation of Alberta Gas Co-ops is once again offering four \$1,000 achievement awards to Alberta students who are entering their first year of post-secondary education. They have stated that preference will be given to applicants attending a field of study related to natural gas or to rural based programs. Eligibility, application and selection of winners details are available upon request at our office or on our website. Alternatively, you can visit www.fedgas.com/award.

CONTACT INFORMATION

Please help us keep you informed! If you address, phone number(s), email address(es), cell phone number(s) have changed, please call or email us with the updated information. We are finding that many people are discontinuing their landline phone services, and we may be left without any way to contact them. If you're not sure if we have your current contact information, please call us and we will be happy to check and update your account.

PRE-AUTHORIZED WITHDRAWAL AND E-BILLING

In our continued effort to save time, money and paper, we encourage you to sign up for ***paperless billing*** or ***pre-authorized withdrawal***. Please contact our office if you wish to enroll for these services.

Additionally, we can register you to receive occasional emailed updates and information.

LAUGHING GAS

You do know that modern appliances are really spying on us, and sending back data on our habits. In fact... vacuum cleaners have been gathering dirt on us for years.

What do you call a French man wearing sandals? Phillippe Phillope.

An American, a Frenchman, a Spaniard and a German were all attending a Zoom meeting. The Supervisor asked "can you see me ok?" To which they answered "yes" "oui" "si" "ja".

You can tell what was your father's best year of his life, because they tend to freeze that clothing style and ride it out.
