## MARCH 2022

### IMPORTANT

In order for us to complete our annual gas system maintenance and safety checks, including meter and related equipment inspections, our staff requires unrestricted access to the equipment at all times.

Unrestricted access ensures gas system safety, your safety, and our staff's safety.

### ANNUAL GENERAL MEETING

Our 49th AGM is scheduled for Thursday, March 10, 2022 at Weedon Community Hall at 7:00 p.m. Light refreshments will be available. We encourage your attendance!

### ANNUAL METER CHANGES/RECERTIFICATIONS

Our staff are working on routine meter change-outs. Any meter that has seal expiry date of **2022** will be changed out for recertification or removal from service. We will be working with you to schedule these appointments. In light of the Covid 19 circumstances, our preference would be for you to relight your own appliances; however, we will assist or relight if necessary. To eliminate the need for homeowner presence for appliance relights, we are installing meter by-pass valves for future meter changes.

### FEDERAL FUEL CHARGE

The Federal Fuel Charge was implemented in Alberta on January 1, 2020. The Charge puts a price of \$20 per tonne of carbon dioxide equivalent (CO<sub>2</sub>e) emissions for home heating fuels. Rates are increasing on April 1 of each year as the federal government increases the carbon price by \$10 per tonne a year until it reaches \$50 per tonne in 2022. On April 1, 2022, the Federal Fuel Charge on your bill will increase to \$2.6289087 per GJ.

### CO AND FIRE ALARMS

As daylight savings time occurs on March 13, 2022, it is an opportune time to check the batteries and expiry dates on your fire and CO alarms.

## HOMEOWNER / TENANT SITUATIONS

If you are renting your home to a tenant, it is important to know that ***it is our policy to always keep the account under the homeowner's (the co-op member) name.*** We are able to send bills to both the homeowner and tenant, and we can arrange to receive payments directly from the tenant. However, the responsibility of keeping the account in good standing lies with the homeowner, and we strongly encourage the homeowner to monitor the account and communicate with the tenant and us.

In our continued effort to save time, money and paper, we encourage you to sign up for ***paperless billing*** or ***pre-authorized withdrawal.*** Please contact our office if you wish to enroll for these services.
