FEDERAL FUEL CHARGE

Effective April 1, 2022, the Federal Fuel Charge increased from \$2.1025 per GJ to \$2.63 per GJ. You will see this increase on your May 1 bill for April gas consumption.

APRIL WAS DIG SAFE MONTH

Each year, Albertans pay more than \$350 million to repair damages caused when homeowners and contractors dig without knowing what is below. There is also potential for an even higher cost; contact with an underground utility can result in severe injury and death.

Dig Safe Month coincides with the unofficial start of the spring digging season, and this campaign serves as a reminder to homeowners and contractor to CLICK or CALL before you dig.

LEAK DETECTION / GAS LINE SURVEYS

Our contractor Gas Recon will be walking all the gas lines in our Tap 3 and Tap 7 areas. Tap 3 covers areas west of Grand Valley Road, including Cottage Club, Ghost Lake Village, Highway 40 (including Waiparous and Benchlands), and Jamieson Road. Tap 7 includes areas between Water Valley and Cremona.

Gas Recon will endeavour to contact land owners prior to accessing properties. They will be carrying identification and their vehicles will be marked.
