## **CONSTRUCTION SEASON**

Our construction season is ramping up and we anticipate another busy year. If you know of someone requiring a new primary service install, please advise them that our deadline for construction requests is September 15, 2022. Due to supply chain issues, we are currently not doing any secondary gas line installs, but may be able to assist you with alterations to primary services.

## **LEAK DETECTION / LINE SURVEYS**

Our contractor Gas Recon are walking all the gas lines in our Tap 3 and Tap 7 areas. Tap 3 covers areas west of Grand Valley Road, including Cottage Club, Ghost Lake Village, Highway 40 (including Waiparous and Benchlands), and Jamieson Road. Tap 7 includes areas between Water Valley and Cremona.

Gas Recon will endeavour to contact land owners prior to accessing properties. They will be carrying identification and their vehicles will be marked.

## **CONTACT INFORMATION**

Please help us keep you informed! If your address, phone number(s), email address(es), cell phone number(s) have changed, please call or email us with the updated information. We are finding that many people are disconnecting their landline phone services, and may be left without any way to contact them. If you're not sure if we have your current contact information, please call us and we will be happy to check and update your account.
