RENTAL PROPERTIES

If you have tenants at your service address, please note that we do not change the account to their names. We can add them as an additional bill recipient and they can arrange to pay the bills depending on your agreement with them. You, as the land owner, will also receive a bill copy and it is essential that you monitor the account status and ensure that it is kept current.

NATURAL GAS SAFETY TIPS

When lighting a burner with no pilot light, always light the match first, place it at the burner, then turn the range knob.

If a burner flame goes out, shut off the range knob, wait for the gas to dissipate, then relight the burner.

Keep the area around your appliances and meter free of all combustible materials. Keep air ducts clear.

CONTACT INFORMATION

Please help us keep you informed! If your address, phone number(s), email address(es), cell phone number(s) have changed, please call or email us with the updated information.
