LAUGHING GAS

What's the difference between the bird flu and the swine flu? One requires tweetment and the other an oinkment.

What do you call a line of men waiting to get haircuts? A barberqueue.

Why do seagulls fly over the sea? If they flew over the bay, they would be bagels.

Air used to be free at the gas station, now it costs 2.50. You want to know why? Inflation.

Why can't a leopard hide? He's always spotted.
