RENTING OUT YOUR PROPERTY?

As a co-op, we are required to enter into a customer contract for service with the property owner. This means that if you have a renter, we can send the gas bills to both owner and tenant and will accept payment from either. **As the account is ultimately the responsibility of the owner, we strongly recommend monitoring the account status.**

MUNICIPAL ADDRESSES

We are attempting to gather all of our member's municipal address to keep our system up to date. Please call us at 403-932-2707 or email us at admin@clgas.ca to allow us to update your account. We will also ensure all of your other account information is still current.
