NEW BUILDING GRAND OPENING

CLGC held a grand opening celebration of our new facility on December 13, 2024. Over 200 members, guests and dignitaries were in attendance to help us celebrate. Our Chairperson, Clay Long, officially cut the ribbon, and members and guests were provided tours of the new facility and a lunch service.

The new facility is meeting our needs as planned, and our staff are very happy to enjoy such a nice facility to work from, including having adequate space for all!

Thanks to those of you that attended. If you would like to see the facility, stop in anytime during business hours and we would be happy to show you around.

RENTING OUT YOUR PROPERTY?

As a co-op, we are required to enter into a customer contract for service with the property owner. This means that if you have a renter, we can send the gas bills to both owner and tenant and will accept payment from either. **As the account is ultimately the responsibility of the owner, we strongly recommend monitoring the account status.**

LAUGHING GAS

Dad, are we pyromaniacs? Yes, we arson.

What do you call a pig with laryngitis? Disgruntled.

Why do bees stay in their hives during winter? Swarm.

If you're bad at haggling, you'll end up paying the price.
