PROPERTY ACCESS

Property access has been an increasing issue for our staff. In order for us to inspect and maintain our infrastructure, we ask your assistance in providing us with gate codes, combinations, or keys. Alternatively, we can provide you with a CLGC lock to add to your gates. Please contact our office at 403-932-2707.

FEDERAL FUEL CHARGE SUSPENDED

On March 15, 2025, the Government of Canada announced that it will be removing the Federal Fuel Charge effective April 1, 2025. CLGC will no longer be required to collect and remit the charge for all types of fuel, including marketable natural gas, consumed after March 31, 2025. As this current billing reflects your consumption for March, it still includes the Federal Fuel Charge for remittance to the government prior to the end of April.

GAS LINE LEAK DETECTION / WALKING

We have contracted our annual leak detection / line walking this year to **Gas Recon**. They will soon begin leak detection and line survey work in our **Taps 4 and 9** areas. They will attempt to contact you if they require access to your property. Our Tap 4 area encompasses a large area west of Highway 22, along Grand Valley, Horse Creek Road, and along Township Road 280. Tap 9 is an area in the very northwest of our franchise, west from Highway 22, north of Water Valley to south of Bergen. Gas Recon will be driving identifiable vehicles and will carry identification.

We request your cooperation in allowing unobstructed access to our gas lines for inspection. Should you have any concerns, please contact our office at 403-932-2707.

APRIL IS DIG SAFE MONTH

In April 2025, Alberta recognizes "Dig Safe Month" to promote safe digging practices and prevent damage to underground utilities, encouraging everyone to "Click or Call Before You Dig".

- **Purpose:**

Dig Safe Month aims to raise awareness about the importance of contacting Utility Safety Partners (formerly Alberta One-Call) before any digging activity to locate underground utilities.

- **Why it matters:**

Damage to underground utilities can lead to costly repairs, potential injuries, and even fatalities.

- **How to participate:**

- **Click or Call Before You Dig:** Contact Utility Safety Partners (formerly Alberta One-Call) by calling 1-800-242-3447 or visiting www.albertaonecall.com.

- **Respect the Locate Marks:** Once locates are marked, respect them and avoid digging near them.

- **Expose any conflicting buried facilities:** If you find any conflicting buried facilities, expose them before using mechanical excavation equipment.

- **Dig with Care:** Always dig with care and be aware of your surroundings.

- **Review Hazards:** If the task is near a high-risk area, it's recommended to review the locate and hazards with the excavator/contractor before ground disturbance.

PRE-AUTHORIZED WITHDRAWAL AND E-BILLING

In our continued effort to save time, money and paper, we encourage you to sign up for ***paperless billing*** or ***pre-authorized withdrawal***. Please contact our office if you wish to enroll for these services.

Additionally, we can register you to receive occassional emailed updates and information.

LAUGHING GAS

How much did the pirate pay to get his ears pierced? A buccaneer.

I went to the toy store and asked the assistant where the Scwarzenegger dolls are and he replied, "Aisle B, back."
