PROPERTY ACCESS

Property access has been an increasing issue for our staff. In order for us to inspect and maintain our infrastructure, we ask your assistance in providing us with gate codes, combinations, or keys. Alternatively, we can provide you with a CLGC lock to add to your gates. Please contact our office at 403-932-2707.

GAS LINE LEAK DETECTION / WALKING

We have contracted our annual leak detection / line walking this year to **Gas Recon**. They will soon begin leak detection and line survey work in our **Taps 4 and 9** areas. They will attempt to contact you if they require access to your property. Our Tap 4 area encompasses a large area west of Highway 22, along Grand Valley, Horse Creek Road, and along Township Road 280. Tap 9 is an area in the very northwest of our franchise, west from Highway 22, north of Water Valley to south of Bergen. Gas Recon will be driving identifiable vehicles and will carry identification.

We request your cooperation in allowing unobstructed access to our gas lines for inspection. Should you have any concerns, please contact our office at 403-932-2707.

2025 METER CHANGES / RECERTIFICATIONS

Our staff are currently working on routine meter change outs. Any meter with a seal expiry date of 2025 will be changed out for recertification or removal of service. We will be working with you to schedule these appointments to allow us to relight any appliances as necessary. To eliminate the need for homeowner presence for appliance relights, we are installing meter bypass valves for future meter changes. Your cooperation in working with us to change out the applicable meters is appreciated.

LAUGHING GAS

I lost my friend's audio book. Now I'll never hear the end of it.

What did the surgeon say to the patient who insisted on closing up his own incision? Suture self.

Just so everyone's clear, I'm going to put my glasses on.
