MEET OUR TEAM
HAVEN - ADMINISTRATOR

If you've ever called the office, chances are you've spoken to Haven! As our Office Administrator for the past 3.5 years, she's the friendly voice on the phone and the go-to person for customer requests and billing. Her helpful attitude and attention to detail help keep things running smoothly behind the scenes.

Originally from an acreage just north of Cochrane, Haven now spends her free time exploring the outdoors with her Cowboy Corgi, Todd. Whether she's hiking in the mountains, camping, paddle boarding, or just relaxing with some country music, she's always up for an adventure!

2025 METER CHANGES / RECERTIFICATIONS

Our staff are currently working on routine meter change outs. Any meter with a seal expiry date of 2025 will be changed out for recertification or removal of service. We will be working with you to schedule these appointments to allow us to relight any appliances as necessary To eliminate the need for homeowner presence for appliance relights, we are installing meter bypass valves for future meter changes. Your cooperation in working with us to change out the applicable meters is appreciated.

PRE-AUTHORIZE WITHDRAWAL AND E-BILLING

In our continued effort to save time, money and paper, we encourage you to sign up for paperless billing or pre-authorized withdrawal. Please contact our office if you wish to enroll for these services. Additionally, we can register you to receive occasional emailed updates and information.
