Your continued trust and support make it possible for us to provide safe, reliable energy to our community every day. This Thanksgiving, we are especially thankful for the sense of community that binds us all together. From our team to your home, Happy Thanksgiving from Cochrane Lake Gas Co-op!

FALL NATURAL GAS SAFETY CHECKLIST

With winter approaching, it's important to keep safety top of mind. Please review the following natural gas safety considerations:

- Appliance Maintenance: Have your natural gas appliances inspected and maintained regularly to ensure they are operating safely and efficiently.
- Know the Signs of a Gas Leak: Unusual "rotten egg" odours, hissing sounds near gas lines or appliances, can indicate a leak.
- Keep Vents Clear: Ensure indoor heating vents are unobstructed, and check that outdoor vents are free from debris.
- Carbon Monoxide Safety: Install carbon monoxide detectors on every level of your home and near bedrooms. Replace batteries regularly and test detectors to ensure they are functioning properly.
- Gas Meter Safety: Keep your natural gas meter free of obstructions.
- Ground Disturbance: Always contact Utility Safety Partners or Click Before You Dig before any digging or ground disturbance. They will issue a ticket to us to locate gas lines—please allow a few business days for processing.

Your safety is our priority. By following these simple steps, you help ensure a safe and warm winter season for you and your family.

CANADA POST STRIKE

We encourage all members to sign up for the Portal to securely view bills. Refer to our website to sign up for e-billing and electronic payments.

LAUGHING GAS

- How do you fix a broken pumpkin?
  With a pumpkin patch!
- What did the turkey say to the computer?
  Google, google, google
- What do you call two witches living together?
  Broommates

MEET OUR TEAM

LESLIE PAKISH - CORPORATE SERVICES MANAGER

Leslie joined CLGC in May 2025. She brings a well-rounded skill set in human resources, office management, and organizational operations, along with a strong background in volunteer service. Leslie looks forward to getting to know the CLGC members and contributing to the company's ongoing success.

Outside of work, she enjoys spending time with her family and friends. Together they take every opportunity they can to enjoy everything outdoors - golfing, hiking, running, skiing, snowshoeing, most likely listening to country music along the way!

COURTESY CALL REQUEST

At CLGC, we are committed to preventative maintenance to help avoid costly repairs which impact all of our members in the future. Whether it involves repainting a post or accessing a property for a line walk, we strive to be proactive in our work.

For safety purposes, we are kindly requesting members to provide us with a courtesy call if they have electric fences on their property that may affect where our staff is working. A quick call to inform us of its location would be greatly appreciated and helps ensure everyone's safety.

CONTACT INFORMATION

Please remember to keep your contact information up to date with CLGC!
If your mailing address, phone number, mobile number, or email address changes, be sure to notify us.
Keeping your information current ensures you receive important updates and emergency alerts without delay.

ATTENTION HUNTERS:
PLEASE HELP KEEP EVERYONE SAFE BY BEING CAUTIOUS OF OUR FIELD STAFF THROUGHOUT HUNTING SEASON.
THANK YOU AND BEST OF LUCK!

PROPERTY ACCESS REMINDER

Access to properties has become an increasing challenge for our staff. In order to safely inspect and maintain our infrastructure, we kindly ask for your assistance in providing gate codes, lock combinations, or keys where applicable.
Alternatively, we are happy to provide a CLGC lock that can be added to your gate for shared access.
Please contact our office at 403-932-2707 to make arrangements or if you have any questions.
Your cooperation is greatly appreciated!
