GAS LINE LEAK DETECTION / LINE WALKING

Our CLGC Gas Line Leak Detection and Line Walking program is well underway. As previously communicated, we have contracted this service out to K9 Leak Hunters. Jay and his canine Nala have been out and about checking for any natural gas leaks. We thought we would share some pictures of Nala at work!

***K9 Leak Hunters will be contacting landowners in advance to notify them when they will be on the property. While working in the area, they will be driving trucks with CLGC logos and will post temporary signage to indicate when work is taking place nearby.**

CONTACT INFORMATION

Please keep your contact information up to date with CLGC! If your mailing address, phone number, mobile number, or email address changes, be sure to notify us.

Keeping your information current ensures you receive important updates and emergency alerts without delay.
