

**COCHRANE LAKE
GAS CO-OP LTD.**

Welcome to the October edition of the CLGC Newsletter!

We're glad you're here. Inside, you'll find the latest natural gas rates, Cochrane Lake Gas Co-op news, industry updates, and seasonal safety tips. Whether it's important service information or helpful reminders, we're here to keep you and your family informed, connected, and safe all season long.

PROPERTY ACCESS REMINDER

We are nearing the completion of our **annual maintenance program** and still require access to several properties after multiple attempts to contact the property owners. If you've received a voicemail from us, please call us at **403-932-2707**.

To safely inspect and maintain our infrastructure, we kindly ask for your assistance by providing gate codes, lock combinations, or keys, where applicable.

As an alternative, we can supply a CLGC lock that can be added to your gate, allowing shared access while maintaining security.

Please contact our office at **403-932-2707** to make arrangements or if you have any questions. Your cooperation is greatly appreciated and helps us ensure the continued reliability of our system.

WE'RE HERE TO HELP

Our staff is always ready to assist you with any questions or concerns. Whether you need help with your account, you are renting out your property, are planning construction or for general advice, don't hesitate to reach out to us at questions@clgas.ca.

Canada for more than 150 years.**

**IN CASE OF
EMERGENCY CALL
403-932-2707**

If your call is between 8:00AM and 4:30PM Monday to Friday, it will be answered at our main office. If you are calling after hours, or on weekends and stat holidays, our message centre will direct you to dial "1" which will connect you to the On-call Gas Utility Operator.

LAUGHING GAS

What do you call a vampire who's always sick? *Coffin!*

Why don't mummies take vacations? *They're afraid they'll relax and unwind.*

Why are ghosts bad liars? *You can see right through them.*

Halloween Safety

BE VISIBLE

Keep your house number visible and your front entrance well-lit in case emergency services are ever needed.

CHECK BEFORE YOU DIG

Check before you dig. If you're installing stakes or other decorations in the ground, be aware of underground utility lines.

SAFETY STARTS AT HOME

As you decorate and welcome trick-or-treaters this Halloween, remember to keep natural gas meters and appliance vents clear of decorations, pumpkins, leaves, and snow. A little preparation helps keep everyone safe and your natural gas system operating properly.

LIGHT THE WAY

Turn on your porch light and use pathway lighting so trick-or-treaters can clearly see steps, sidewalks, and obstacles.

SECURE PETS

Even friendly pets can become stressed by frequent visitors. Keep them indoors and away from the front entrance.

ATTENTION HUNTERS:

As you head out this hunting season, please be mindful of our field staff who may be working in the area. Your awareness helps keep everyone safe.

Thank you, and we wish you a safe and successful hunting season!

CONTACT INFORMATION

Please keep your contact information up to date with CLGC!

If your mailing address, phone number, mobile number, or email address changes, be sure to notify us. Keeping your information current ensures you **receive important updates and emergency alerts** without delay.

**CALL OR CLICK
BEFORE YOU DIG**

**1-800-242-3447
UTILITYSAFETY.CA**

Before digging, trenching, fencing, landscaping, or performing any work that disturbs the ground, contractors and homeowners must submit a locate request to identify underground utilities and avoid potentially dangerous strikes.

**Excavation may only begin
once all utilities have been
located and marked.**

PRE-AUTHORIZED WITHDRAWAL AND E-BILLING

In our continued effort to save time, money and paper, we encourage you to **sign up for paperless billing or pre-authorized withdrawal**. Please visit our website or contact our office if you wish to enroll for these services.
