November 2026

COCHRANE LAKE GAS CO-OP LTD.

Welcome to the November edition of the CLGC Newsletter!

Welcome to this month's newsletter! We're happy to keep you connected with what's happening at Cochrane Lake Gas Co-op. Inside, you'll find the latest natural gas rates, service updates, seasonal safety tips, and other news to help you stay informed and safe.

CALL FOR BOARD NOMINATIONS

Cochrane Lake Gas Co-op Ltd. is **guided by a member-elected Board of Directors**, responsible for shaping the strategic direction of the organization and ensuring the safe, reliable delivery of natural gas to our members.

We are looking for individuals interested in serving on the Board. This is a meaningful opportunity to:

- Share your knowledge and expertise to support strong governance
- Develop new leadership and decision-making skills
- Engage in a cooperative organization

The next Board of Directors election will be held in March 2027. To be considered, **nomination papers must be submitted by February 1, 2027**. The Director Election Handbook will be available starting January 2nd, 2027, on our website and at our office.

Serving as a Board member is a rewarding experience. If you're interested in contributing your professional insight or creative energy to strengthen CLGC, we encourage you to reach out for more information.

LAUGHING GAS

What do you call a snowman in the summer? *A puddle.*

Why did Dad stop using his loyalty card to scrape ice from his windshield? *He only got 10% off.*

What did the glove say to the hat? *You go on ahead.*

GET YOUR HOME READY FOR WINTER

As cooler weather arrives, now is a great time to make sure your home and natural gas appliances are ready for the heating season.

A few simple steps can help keep your home safe and comfortable:

- Have your furnace serviced before you need it most.
- Test your carbon monoxide (CO) alarms and replace batteries if needed.
- Never use outdoor equipment indoors, including generators, barbecues, or patio heaters.
- Know the warning signs of CO. Headaches, dizziness, nausea, weakness, and confusion can be symptoms of CO exposure.
- Keep furnace vents and outdoor exhausts clear of snow, ice, leaves and debris.
- Keep items away from your furnace and other gas appliances to allow proper airflow.
- Keep your gas meter accessible and clear of snow, ice and stored items.
- Check doors and windows for drafts and consider adding weatherstripping or insulation.

A little preparation now can help keep your home safe, warm and comfortable all winter long.

CONTACT INFORMATION

Please keep your contact information up to date with CLGC!

If your mailing address, phone number, mobile number, or email address changes, be sure to notify us. Keeping your information current ensures you **receive important updates and emergency alerts** without delay.

PROPERTY ACCESS REMINDER

Access to properties has become an increasing challenge for our staff. In order to safely inspect and maintain our infrastructure, we kindly ask for your assistance in providing gate codes, lock combinations, or keys where applicable.

Alternatively, we are happy to provide a CLGC lock that can be added to your gate for shared access.

Please contact our office at 403-932-2707 to make arrangements or if you have any questions.

PRE-AUTHORIZED WITHDRAWAL AND E-BILLING

In our continued effort to save time, money and paper, we encourage you to **sign up for paperless billing or pre-authorized withdrawal**. Please visit our website or contact our office if you wish to enroll for these services.
